

INK PAD STORAGE UPDATES

A Simple Guide to What's Changing

Stampin' Up!® has introduced a new ink pad in 2026, and we've updated our storage solutions to fit.

We know changes like this can feel confusing—so we created this guide to make it simple.

HOW TO USE THIS GUIDE

On the next pages, you'll find:

- A simple path to help you find the right ink pad storage for you
- A quick reference chart of retiring and current ink pad storage

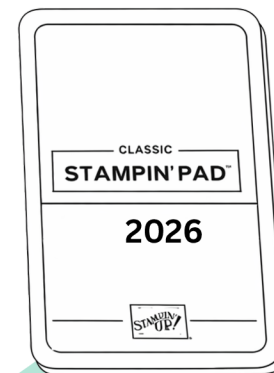

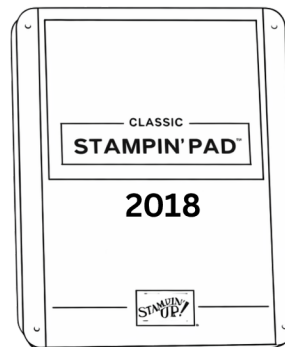

Just start at the top and follow what applies to you.

OUR GOAL

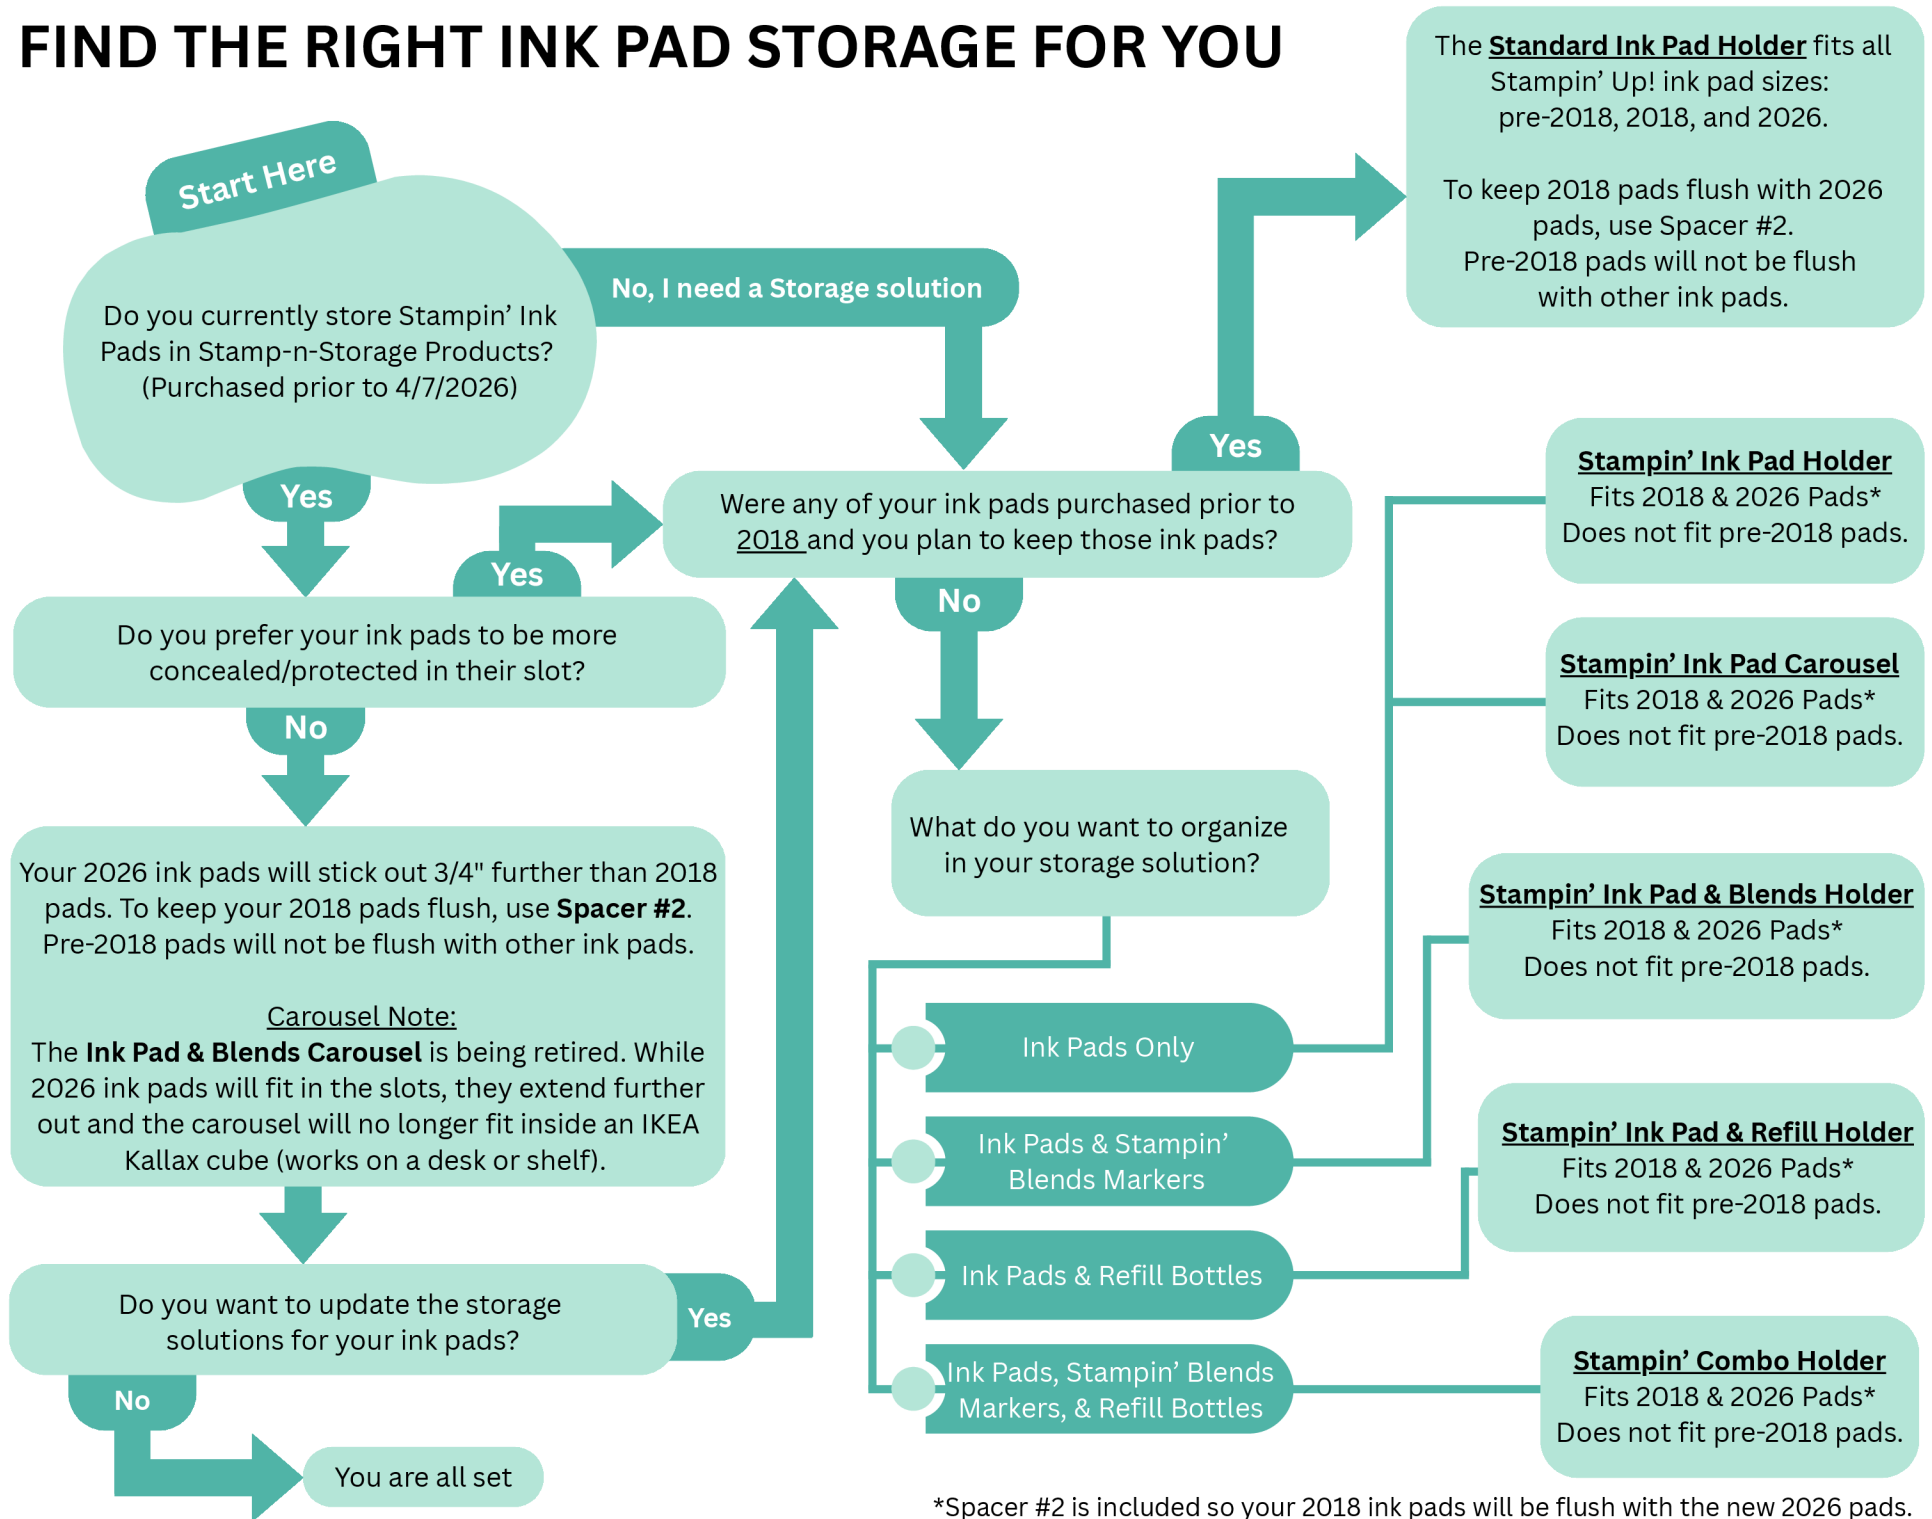

To help you quickly understand what works, what's changing, and what (if anything) you need, so you can get back to creating.
